TAVOLINO/SIDE TABLE
C. Ballabio

Tavolini con base in vetro soffiato secondo la tecnica artigianale muranese e piano in massello di noce canaletta o frassino con leggera modanatura perimetrale. La base di vetro può presentare discrepanze cromatiche e/o bollicine dovute alla lavorazione a mano.

Coffee tables with base in blown glass produced according to the craft technique of Murano and top in solid canaletta walnut or ash with slight perimeter moulding. Since the glass base is manufactured by hand it may feature colour discrepancies and/or bubbles.
